

CLUBS OF BIT

INTRODUCTION:

- BIT takes pride in having clubs that cater to every students needs and promotes extracurricular activities. The aim of these clubs is to enrich the social and cultural life on the Institute campus.
- Student Clubs are formed around academic and national themes to add to the rich mosaics of student life. Students who have common interest in debating come together to form a debating club, those committed to traditional life come together to form a club for preservation of culture and so on.
- Cultural and Technical clubs play a vital role in the overall development of students mindset and skill set as they learn how to manage time, deal with responsibilities and juggle between activities and studies.
- At present BIT has 16 student clubs namely ROTARACT CLUB BIT, TED-X BIT, SHUTTERED BIT, ECO CLUB, LEO CLUB, SAMSKRITI, ROBOLUTION CLUB, VOICE CLUB, DIMINISHED, ELEVATE CLUB , EDC, ECSA, BREAKS, MIDAS, INFINITY, SPORTS CLUB .

- **Rotaract Club of Bangalore BIT**: Founded in BIT in 2011, Rotaract Club is an Organization which promotes students towards their Technical Development ,Professional Development, Leadership Development keeping in mind some amount of service towards the well being of society.

The various activities conducted by RCBIT are:

- (1) Career Talks
- (2) Annual Kabaddi Meet
- (3) Visits to orphanages, cleanathons
- (4) Blood Donation Camps
- (5) BIT's Got Talent
- (6) Conduct Treks
- (7) Technical competitions

- **TEDx BIT** : TedxBIT Bangalore is a platform to propagate ideas globally through a local platform. Bangalore Institute of Technology holds a university level license from TED to organize an independent TEDx event to effectuate the same. It was initiated by a humble and aspiring group of young visionaries dedicated to cumulate the ideas worth spreading. Orbiting the thoughts to later conceive them to put forth the same, in front of innumerable curious spectators is our primary motive.

- **ELEVATE CLUB:** We at ELEVATE are on a mission to save the jacks of BIT from turning out to be dull. Our sole purpose is to help you maintain a healthy balance between ‘work’ and ‘play’, encouraging you in doing things, that you love the most. We realize that the busy schedule that all of us are

bound by doesn't really leave you much time to develop our skills. This is where we come in, we intend to help you to nurture, the skills that you already possess. ELEVATE, being BIT's official LITERARY club organizes various events such as creative writing, debate, group discussion, quiz, soap opera etc.

- **VOICE CLUB:** VOICE stands for *Vision Opportunities Innovation/Ideas Communication Empowerment*. Voice's efforts of a democratic student body where plans, ideas, events, campaigns and activities are run by the students as they choose for promoting gender equitable spaces within the campus. The core of Voice is to work constructively and positively to promote safe spaces and not protest and violate laws at any point of time.

- **DANCE CLUBS (BREAKS, MIDAS, INFINITY):**

These clubs are the most active and hardworking club of BIT .The members perform versatile dance forms like Hip-Hop, Bollywood, Salsa, Folk Dance, Classical, Freestyle, Contemporary and many more. The Dance club works on the principle Of learn, teach and perform.

- **Entrepreneurship Development Cell**

(EDC): Entrepreneurship Development Cell Of Bangalore Institute of Technology, will help the technical clubs and the academic projects to be converted into a business model. We

recently conducted a Stock Market Hands on Experience workshop headed by Vipin Mandyam, Entrepreneurship Summit and Idea Lab Seminar headed by Dr. Shweta Singh, at Dr. S Ramegowda Hall.

- **AIKYA:** AIKYA is a youth initiative of The Akshaya Patra Foundation. AIKYA provides a platform for the students to build and hone their leadership and communication capabilities, thereby creating social

leaders, who bring out a positive development in our country. We work around government schools by organizing cleanliness campaigns, tree plantation drives and, school education programs, bringing in an overall impact in the ecosystem of the government schools.

- **SAMSKRITI:** Samskriti was constituted to encourage regional cultural and language. They conduct debates, cultural activities and the annual event KANNADA Rajyothsava.

- **ECO CLUB:** The ECO CLUB of B.I.T. is the representation of a gathering of active pro-nature participants. Having organized events ranging from plantation program's to volleyball in the previous term, our dynamic new team is headed towards stepping up the events to be organized in the following term.

- **LEO CLUB:** LEO club is a branch of the Lions Club which mainly aims at positive youth development. The Club aims To provide the youth of the

world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community.

- **SHUTTERED BIT:** The club has been started around the year 2011 by the photography enthusiasts of our college. The club has actively participated in covering all the events including the ROTAFEST 2K17 and the events of LEO CLUB too. The club has covered all the events organized during the College Fest-MANTHAN in the year 2018-19. The Club aims to bring out the Creative Photographers in Everyone and to build a Community Of Like Minded Photographers. Shuttered club conducts Photo walks helping them to develop their skills to create a community of likeminded people.
- **ROBOLUTION CLUB:** A robotics club is a gathering of students who are interested in learning about and working with robots. At BIT, robotics club activities typically take place in a classroom, and moderated by a member of the teaching staff.
- **ECSA:** Electronics and Communication Student's Association is an active techno-cultural club of BIT with the key motive to benefit the students in various academic and co-curricular aspects. Started in the year 2002, ECSA's mission is to create an interactive student community within the college by coordinating innovative programs promoting research, networking and collaborative opportunities.
- **SPORTS CLUB:** Started in the year 2018 , the club aims to conduct various sports such as cricket, football ,table tennis, badminton, carom and chess.
